BUSINESS
COLLABORATIVE**
The College of Wooster

Case Western Reserve University's Weatherhead School of Management and The College of Wooster have a partnership to provide high-achieving students like you with a clear pathway to pursue a master's degree.

Through the Ohio 5 Business Collaborative, you'll benefit from GMAT-optional early admission to Weatherhead's **Master of Finance, Master of Supply Chain Management, Master of Accountancy or Master of Business Analytics and Intelligence** programs, enabling you to make valuable contributions in the areas of corporate finance, operations, big data, accountancy and more. You will graduate with a competitive advantage, fully prepared to lead in your field.

Need scholarship support?

We guarantee a significant scholarship of at least \$10,000 for qualified students.

What the Ohio 5 Business Collaborative can do for qualified College of Wooster students:

- Gain early admission in junior year or senior year.
- Make one or two approved course substitutions from undergraduate courses to reduce redundancy in your course of study.
- Secure internship and job placement through support provided by career services at Weatherhead School of Management. Placement rates are 100% for domestic students.
- Obtain a pathway to live and work in Cleveland upon completion of the graduate degree. Cleveland is ranked No. 5 on Glassdoor's "25 Best Cities for Jobs in 2020."
